Infection Control

How long is this course?

The course should take you approximately 10+ hours to read through each section, watch each of the video clips, as well as complete the quizzes. However, it will depend on your rate of learning and may take more or less time.

Outcomes

After completing the program, you should be able to:

1. Follow standards for infection control
2. Identify risks and assess these
3. Follow procedures for managing infection risks
