

Hand Hygiene

How long is this course?

The course may take you up to 6 hours to read through and watch each of the video clips, plus additional time to read the information as well as complete the quizzes. It will depend on your rate of learning.

Outcomes

The course should give you an overview for setting up and reviewing your own professional practice.

After completing the program, you should be able to:

1. Follow standards for hand hygiene
2. Identify infection prevention using hand hygiene
3. Use protection for hand hygiene
